Collection Scope and Content Summary

This collection consists of original and duplicate audio recordings of speeches and lectures, forums, conferences, interviews, anniversary celebrations, reunions, inaugurations, degree candidate presentations, concerts at Barnard College from 1936 to 2007. Barnard College presidents that appear in the collection include Virginia Gildersleeve, Millicent McIntosh, Martha Peterson, Rosemary Park, Jacquelyn Mattfeld, and Ellen Futter. Prominent speakers include Elie Wiesel, Atallah Shabazz, Jean Stafford, Bella Abzug, Edwidge Danticat, Thulani Davis, Isabel Allende, and Antonia Novello. There is significant crossover between the reel-to-

reels and audiocassettes due to transferring. Archivists incorporated a shelf listing inventory of the reel-to-reels and audiocassettes into the finding aid in 2022; however, this inventory has not been thoroughly checked and may contain errors because of illegible labels, mislabeled tapes, and shifted tapes.

The CDs in the collection are Barnard acapella group Bacchantae performances, On Dance lectures, and other lectures given at Barnard College.

The records in the collection are of the song *Barnard! Barnard!* performed by the Columbia University Choir and recorded in 1964 for the 75th Anniversary of Barnard College. There are also speeches by Dean Gildersleeve and a 1938 Barnard Day radio broadcast.

341 audiocassettes and 6 CDs of presentations from Scholar and Feminist Conferences, 1975-1996, were deaccessioned and moved to the Barnard Center for Research on Women collection, BC13.58, because they fit more appropriately into the scope of that collection.

Revision Description

Detailed inventories were added to the Audiocassettes and Reel to Reel tapes series. 2022-12-19

Access

This collection has no restrictions. We have hardware to allow playback of audiocassettes and CDs in the office; we may choose to digitize these materials for researchers rather than have them be played back in the office. Reel to reel tapes and records must be sent out for digitization.

Publication Rights

Permission to publish material from the collection must be requested from the Barnard College Archives. The Barnard College Archives approves permission to publish that which it physically owns; the responsibility to secure copyright permission rests with the patron.

Acquisition Information

This collection is made up of several different accessions: The College Quiz Bowl materials were acquired in 2012 from an alumnae donor. Materials from the 20th anniversary celebration of the First-Year Seminar program were transferred from the Barnard College History Department in 2013. Materials from the Barnard College English Department's events were transferred in 2004. Most of the materials were transferred from the Audiovisual Office in 2003. The acquisition date and source of the remainder of the collection is unknown.

Accruals

Additions are expected.
