Collection Scope and Content Summary

This collection contains 69 World War II political posters from the United States. The posters are considered to be propaganda, with messages encouraging participation in the war effort. The poster's intended audiences range from young men, expected to enlist in the war effort, to women and children, expected to assist the war from the homefront.

[^ Return to Table of Contents](#)

Collection Arrangement

Posters are arranged in three flat files, and inventoried at the item level.
