Restrictions on Access

The RBML cannot provide access to original time-based media material which has not been first been reformatted for preservation. Researchers are welcome to examine archival time-based media items and decide whether they wish to place an order for Audio/Video reformatting. If copyright and/or condition restrictions apply, it may not be possible to digitize a requested item. Please note that A/V reformatting is handled by an outside vendor and typically takes 6-8 weeks.

Restrictions on Access

This collection is located off-site. You will need to request this material at least three business days in advance to use the collection in the Rare Book and Manuscript Library reading room.

Terms Governing Use and Reproduction

The RBML maintains ownership of the physical material only. Copyright remains with the creator and his/her heirs. The responsibility to secure copyright permission rests with the patron.
