## Biographical / Historical

---

American international relations scholar, who spent much of her career at Columbia University's Institute of War and Peace Studies. She was a pioneer in the academic study of small powers and middle powers and the books and articles she wrote on that subject are highly regarded in the field. She was director of the institute's Canadian Studies Program from 1977-84.

## Biographical / Historical

---

Because of the gender norms of the time, Annette Fox did not gain the appointments that her achievements merited, but these were very significant in terms of major publications and mentoring students. The university and the field would have been poorer places without them.
