Summary Information

Repository:	Rare Book and Manuscript Library
Creator:	Dale, Samuel S. (Samuel Sherman), 1859-
Creator:	Thomas and Fanny Dale Library of Weights and Measures . Columbia University. Rare Book and Manuscript Library
Title:	Dale Library on Weights and Measures
ID:	15529578
Date [inclusive]:	1325-1945
Physical Description:	1,968 items The collection contains a total of 683 catalogued books as well as 102 bound volumes containing a total of 1,285 pamphlets.
Language of the Material:	EnglishFrenchSpanishDutchRussianGermanSwedishItalian

ˆ Return to Table of Contents

Scope and Contents

This library consists of books and pamphlets tracing the development of standard measures in all countries and over all periods. Samuel S. Dale presented the collection in memory of his parents Thomas and Fanny Dale in 1930.

Some materials are cataloged and others are listed here. See series description below for more information.
