Scope and Content

The papers consist of business records, manuscripts, documents, photographs, and maps. Most of the business records (financial records, lists of employees, incorporation of papers, etc.) concern the company, "Torgovyĭ Dom I.P. Kolokol'nikova Nasledniki", in 1917-1919. The company was based in Tĭumen' and dealt in such commodities as flour, tea, and sugar. Also included are materials on the Tefĭukhi Mining Company (silver and lead mines), and on a project to build a network of grain elevators in Manchuria in the early 1920s. There are maps and statements concerning a dispute over land property borders in the Tĭumen' region in the late 19th century.
