Scope and Content

The collection consists of correspondence, manuscripts, a subject file, and printed materials. There are letters both to Merzheevskii and to other persons. Most of the manuscripts were submitted for publication in "Vladimirskii Vestnik," which published chiefly religious and monarchist materials. There is a book of memoranda of the regional chapter of the society of veterans of Gallipoli in Belgium and the group of the First Army Corps in Belgium and Luxembourg. The subject file is on General Miller and contains photographs of Miller and General Kutepov. Printed materials include approximately 80 copies of "Vladimirskii Vestnik" dated 1955-1968.
