---

## Summary

---

Most of the manuscripts are from the late 1940s. They are chiefly organized into collections of memoirs, essays, and dreams. Many were published, albeit in somewhat different form and order, in Remizov's later books, such as "Plīashuschī demon" "Myshkina dudochka" and "Martyn Zadeka." Some of the manuscripts are in one or more handwritten drafts; some are in typescript, or consist of corrected clippings appended to pieces of paper; and some are rather chaotic notes and scraps. Also included are clippings and offprints of several of Remizov's shorter works.
