Biographical sketch

Russian historian.

[^ Return to Table of Contents](#)

Scope and Content

The collection includes correspondence (1940-1960), manuscripts by Shumilin, photographs, subject files, drawings and printed materials. Shumilin's major manuscripts concern the history of the Soviet educational system and include: "Kratkii ocherk narodnogo obrazovaniia v Rossii do oltiabr'skoii revoliutsii," "O politekhnicheskome obrazovanii v SSSR," and "Vysshaiia sovetskaiia shkola." Among the shorter manuscripts are: "Dve tiumy," "Iz vospominanii o sovetskom teatre," "Obzor literatury O Chekhove," "O dukhovnom oblike russkoii zhenschiny," "Staraiia Varshava" and "Tragediia sovetskoi molodezhi." There are photographs of Shumilin taken in 1960. The subject files reflect Shumilin's major interests during the years he lived in Germany and the United States: church affairs, organizing recitals of religious music and music therapy. There are several folders of clippings, a number of pamphlets containing articles written by Shumilin and a number of copies of Shumilin's "Polytechnic Education in the USSR."

Several of the manuscripts in the collection were published during the 1950-1965 period. These include: "O dukhovnom oblike ruskoï zhenshchiny" (New York, 1957), "Soviet Higher Education" (Munich, 1962) and "Tragediia sovet'skoï molodezhi" (Munich, 1961).
