## Series II: Editorial Files, 1920s-1950s

### Scope and Contents

This series contains the editorial files, which include correspondence kept by the editor related to a specific work. Files are organized by the author's last name and the title of the work. Files include rejected, transferred and published works as well as files for general correspondence.

## Subseries II.1 Editorial Files, 1920s-1959

### Scope and Contents

This subseries includes the editorial files from the early days of the press.

## Series VI: Central Files

### Scope and Contents

The material in this series consists mostly of book contracts and agreements, as well author information dating primarily from the 1990s-2010s. Two accruals of these Central File records were received in 2019 and 2021, respectively. The files are arranged alphabetically within each addition's sub-series.

### Conditions Governing Access:

#### Conditions Governing Access

Restricted materials. To request permission to access files from this series, please contact the University Archives (uarchives@columbia.edu).

## 2019 Addition, A-Z

### Scope and Contents

These date from 1990s-2010s and are essentially Editor's files

**Scope and Contents**
