---

## Biographical / Historical

---

Government official for New York State and the federal government, including Industrial Commissioner of the State of New York, 1929-1932, and United States Secretary of Labor, 1933-1945.

[^ Return to Table of Contents](#)

---

## Summary

---

Correspondence, manuscripts, notes, drafts of speeches, appointment books, subject files, documents, photographs, memorabilia and printed materials. There are notes from her lectures on Sociology at Adelphi College in 1911-1912; papers from 1912-1932, when Perkins served

on the Commission for Safety and on the Industrial Commission of New York State; the main body of the material is from the period of her cabinet office, 1933-1945; and some items from her days on the Civil Service Commission, 1946-1953. Also included are personal and family papers.
