Biographical / Historical

APIS, funded in part by the National Endowment for the Humanities, grew from the digitization of papyrus collections from a consortium of universities, including Columbia, Duke, Yale, and Michigan in the early '90s, overseen by the American Society of Papyrologists. Though the APIS project no longer continues, the images and metadata created from this joint project are still maintained by the institutions involved and are available through Papyri.info.

[^ Return to Table of Contents](#)

Summary

Records of the organization.

[^ Return to Table of Contents](#)

Scope and Contents

The collection includes historical copies of digital data, both images and metadata. All of the information is available at papyri.info. If you require access to the full set of digital documents, please contact rbml@columbia.edu.
