Biographical / Historical

Charles Tilly (1929-2008) was a pioneer in joining sociology and history. Throughout his career, he was especially concerned with the ways in which ordinary people made political claims, and how this was shaped by transformations in the state and in capitalism. Most often seen as a structuralist, Tilly was nevertheless deeply concerned with how to understand actors.

Revision Description

Description was imported into AS in 2022 from a Word document created in 2017.
kws 2023-10-12

Restrictions on Access

Some of this collection (boxes 1-484) is located off-site. You will need to request this material at least three business days in advance to use the collection in the Rare Book and Manuscript Library reading room.

Restrictions on Access

Specific folders are restricted. See box list.

Terms Governing Use and Reproduction

Reproductions may be made for research purposes. The RBML maintains ownership of the physical material only. Copyright remains with the creator and his/her heirs. The responsibility to secure copyright permission rests with the patron.

Immediate Source of Acquisition

accn number: Source of acquisition--[source of acquisition]. Method of acquisition--Gift, Purchase, etc; Date of acquisition--date.

Processing Information

Processed by Chris Laico, 2014-2018. Water damage was observed in box 35.
